

Wheels & Castors

Keep your business turning smoothly.

Clark Handling supplies a full range of castors & wheels throughout the UK.

We offer a wide range from soft to hard tread wheels with cast iron, steel, polypropylene, nylon or phenolic centres. Designed to suit light duty institutional and heavy duty industrial applications plus stainless steel for the food industry.

We supply pallet truck rollers and light to heavy duty solid or pneumatic wheels. Ball transfer units used for smooth moving of goods and special application castors for the safe handling of glass and other fragile materials.

If you think your business needs new wheels & castors, or you have any other handling problems we can help you with, call Clark handling now on 0845 602 9663.
