

# Conveyors & Live Storage

Get fully loaded in next to no time.

Gravity roller conveyors

Our custom built loading solutions for fast, effective goods handling

Expanding conveyors

Belt conveyor

Live storage system

Throughout the UK, Clark Handling supplies conveyors for the movement of a wide range of diverse goods.

Conveyors are available from simple gravity rollers for a low cost solution, up to powered & fully automated systems. Screw conveyors for the handling of granular product and live storage systems for faster picking access.

Benefits to your business will include:

- 1. **Speed** - Increases your productivity
- 2. **Ease of Use** - Less effort is needed
- 3. **Safety** - Avoid bumping into other people

If your business needs to improve its handling with one of our conveyor units, or need any help with other handling issues, call us now on 0845 602 9663.
