

Workshop Equipment

A place for everything & everything in its place.

Clark Handling is a national company that supplies everything you could ever need to improve your workshop area.

Workbenches a comprehensive range of worksurfaces with or without built-under storage for industrial or commercial uses.

Lockers for education, sports, medical, PPE, clean/dirty, hazardous or disabled uses in key, combination or coin return locks.

Plastic boxes for small parts storage they're flexible, lightweight & easily changed with dividers, lids and in different colours and optional wall mounted, louvred panels.

Static & mobile drawer cabinets high density storage for tool, consumable or artefacts and available with castor bases.

Mobile shelving & racking increases load capacity by eliminating aisle space. Ideal for libraries, archives and offices.

Manual cranes to assist you with heavy duty workshop lifting.

If your business needs to add to, improve or update its workplace, equipment then call Clark on 0845 602 9663 now.
